gnsc.co.uk sign up

We have recently launched our e-mail sign up facility on our website, we would like all our members and parents to sign up by entering their e-mail address. This will enable us to e-mail everyone on the list when we have any urgent messages re: swimming sessions, galas or any other issues as well as important club information & newsletters etc.

Please enter your e-mail address into the box on homepage and then click the **sign up** box. Please ensure you type your e-mail correctly and check it before pressing the sign up button. You will then receive an e-mail which will contain an activation link, once you have confirmed the link we will be able to contact you with any relevant information.

If at any time you wish to remove your e-mail from the mailing list you will be able to unsubscribe via our members page.

Thanks
